

Churchville

ART PROGRAM

With Ms. "C"

SESSION 1: 8 weeks

Located at Churchville
Rec Center

- \$150 per student
- **June 22-August 11**
- Classes meet once a week... see class days & times

The program will be made up of five classes. Each class is structured for students to master age appropriate level of techniques, concepts, and art production in order to build skills from one class to the next.

Painting Playdates

Ages (3 1/2 -6 yrs)

Sat. 10:00-11:00am

Each **Painting Playdate** focuses on building skills such as caring for materials, color mixing, shape observation, space, and texture all while developing fine motor and creativity. Parents will be amazed at what their child is capable of! Materials included. Parents are welcome...

Art Explorers

Ages (7 -10 yrs)

Sat. 11:30-12:30pm

Students will explore the foundation of art such as color theory, composition, art elements, and design principles. Using Art History as an inspiration, students will gain an understanding of a variety of materials and techniques. Materials Included.

Art Through Observation

Ages (11 -14 yrs)

Sat. 1:00-2:30pm

Through observational drawing and painting, students in this class will learn how to observe a variety of everyday objects. Anyone can LEARN how to create "realistic" art through gesture drawing, shading, and color mixing. Materials included.

Portfolio

Ages (High school)

Sun. 10:00-noon

This "studio" art class is designed for high school students who are looking for private instruction or are working on creating an art portfolio for college admission. Classes are differentiated to meet the needs of each student working with a variety of materials, techniques, and subject matter. Most materials included, students will receive a supply list

Anyone Can Create

Ages (Adult)

Sun. 12:30-2:30pm

Anyone Can Create is a studio art class for adults who need a place to be creative and relax. Students will learn about realistic and abstract art and develop technical skills by working with instructor. Projects and material demonstrations will inspire students to develop their own subject matter, concepts, and create one of a kind artwork. Most materials included, students will receive a supply list
